

2010 MAMEA Mini-Conference in Virginia – Saturday, February 13, 2010

High Impact on a Low Budget

All MAMEA members are invited to join us for a day of activities and discussion focused on making an impact with marine science content in the classroom when budgets are tight and time is limited.

Learn about:

- Affordable hands-on activities, field trips, and action-based projects
- Free resources available to educators
- Grants and sponsorships

The mini-conference also will include a content enrichment session on sea turtle biology, behind-the-scenes tour above the Sea Turtle Aquarium, breakout session for informal educators, and lunch.

Registration Information:

- \$25 for MAMEA members; \$35 for non-members (includes MAMEA membership)
- For more information or to register, contact the Virginia Aquarium Guest Services office at 757-385-0300 or vamscgso@VirginiaAquarium.com.
- Registration deadline – Monday, February 8 at 4:30 p.m.
- Ask us about nearby hotel options and whale watching opportunities!
